

**Our Mission is to help Australian Investors in Emerging Markets unlock additional value for all Stakeholders & Shareholders through Inclusive Growth.**

### Tailored solutions for your Resource or Energy project:

- **Actionable Recommendations & Guidelines** – the Do's and Don'ts, Tactics and Strategies, Short & Long Terms.
- **Innovative Tools & Frameworks** – Our proprietary instruments will help your organisation better frame, adapt to and solve challenges, both old and new.
- **Tested Marketing Strategies** – Tell your story and reap the benefits of doing the right thing.

### Built around the integration of

- **The UN Sustainable Development Goals** – SDG 1 to 17, wherever you can have the maximum impact,
- **The AfDB High-5s** – *Light up and Power, Feed, Industrialize, Integrate, Improve the Quality of Life for the People of Africa,*
- **Industry successes** – peer mentoring and not reinventing the wheel,
- **Publicly available information** from multiple organisations from in and out the industry,
- **Academia** – from researchers and groups publications on CSR, Social License in the extractive industries, and
- **Strategic Partnerships** with local and global experts.

### The results you can expect:

- ✓ Improved relations and reputation with hosts stakeholders and
- ✓ Increased productivity & greater leverage of local strengths
- ✓ Reduced potential hidden conflicts (cultural, social)
- ✓ Better managed expectations
- ✓ Smoother start and closure of Project
- ✓ Increased Total Shareholder Return

In addition to the benefits stemming out of a more harmonious integration of your organisation with its local environment.

*"As expectations and potential run higher than ever before, it has become essential for investors to past the construction of a temporary medical centre, well or school as the best way to secure a SLO and implement a better integrated approach to CSR to deliver lasting win-win scenario."*
